Do's and Don'ts

DO

- Use provided files as-is
- Black logo on light backgrounds
- White logo on dark backgrounds
- Clear space = height of S in SA's
- Scale proportionally, lock aspect ratio
- SVG for anything over 6 inches printed

DON'T

- Stretch, squish, or skew
- Change or recolor any element
- Add shadows, outlines, or glows
- Place on busy or patterned backgrounds
- Use low-res PNG at large sizes
- Crop or rearrange elements

Minimum Size

Digital / Screen

**200 px wide
minimum**

Below this the fine detail is lost

Print

**1 inch wide
minimum**

Use SVG not PNG for anything over 3 inches

Embroidery / Patch

**1.5 inches
recommended**

Badge variant gives best stitch clarity

Favicon / Applcon

**Crop to badge mark
only**

Use
saf-final-spurs-badge.png,
cropped square
